

T800 Movie Cube Theater

Portable Multimedia HDD with embedded DVB-T and HDD + TV beamer

The **Movie Cube T800** is the perfect partner of your daily entertainment. Thanks to its high capacity 2.5" HDD, record, store and share your multimedia files with a simple connection.

▪ Lightweight and portable multimedia player

Take it anywhere you want to watch TV or enjoy multimedia contents with your family and friends thanks to its smart and compact design

▪ Project images on any surface

Its revolutionary LED light is so resistant that it lasts over 10,000 hours and provides an excellent image quality from such a small projector.

▪ Watch and record DVB-T channels

The embedded digital tuner allows you to access all DVB-T channels available in your area. Record your favorite TV programs or pause them anytime with the Time Shift function.

▪ Easily share photos, music and videos from mobile devices

1 USB host port and a card reader for PC-free instant access to your media files
