

**GEMPAD™**[www.emtec-gembox.com](http://www.emtec-gembox.com)

*Enjoy a great gaming experience on your TV  
with the GEM Pad!*

**A gamepad to enjoy all the features of the  
GEM Box!**

- Pleasant and comfortable handling to enhance your gaming experience.
- Silicone grips on each side of the gamepad for better control.

**A true gaming experience**

Highly responsive and accurate sticks and triggers so you can spend hours playing Android games, GameFly Streaming, retro gaming or PC games streamed on your TV.

**A « mouse » mode included**

- Wireless controller with mouse mode to enjoy all the features of the GEM Box. You can easily switch from “gamepad” mode to “mouse” mode with a button in front of the gamepad.
- Easily browse web pages and manage applications that are not gamepad compatible.

“Mouse” Mode  
Mode “Souris”

## Compatible with Android devices

- The GEM Pad is fully compatible with the GEM Box for playing Android games from the GEM Store, console-quality games from GameFly Streaming and enjoying all your Apps downloaded from Google Play.

- The GEM Pad is also the perfect gamepad to play on your Android devices (TV, smartphone, tablet), Amazon Fire TV and Google Nexus Player.

Packaging designed to present the product inside the GEM Box world, with a transparent window to see the gamepad.

## Easily recharge the GEM Pad

To recharge the internal gamepad battery, simply connect the GEM Pad to the GEM Box using the micro USB cable provided.
