

USE PROJECT is the perfect illustration of EMTEC's vow to innovate by rethinking the usage of common technology products.

For this first edition, Cedric Ragot delivers his vision of mobile accessories.

USEproject

Natural audio attraction...

Simple but beautiful, the Stay Earbuds are all you need to combine good sound and elegant design for everyday use.

- Optimized sound experience with 9.2mm drivers
- Perfect noise isolation with HD audio speakers for a punchy sound quality
- Anti-tangle flat cable to spare you some troubles
- 3-button mic remote dedicated for iOS devices or 1-button universal mic remote for Android and Windows devices

3-button mic remote for iOS devices

1-button mic remote

Tip: traditional L shaped earbuds with built-in magnets to keep them gently around your neck

- Stylish, elegant and sleek packaging design coherent with the products and in line with all of the “Use Project” range
- Premium quality packaging printed on smooth surface chromolux paper to add the perfect finishing touch to the product
- Pictograms clearly presenting the main product features and benefits
