▪ User-friendly interface

MIRACAST

Multimedia center

Netflix directly on your TV screen!

- Enjoy Netflix directly on your big screen in your living room, without any additional device or any wired connection.
- Just download Netflix App and you can watch your favourite TV series. It's that simple!
- Other streaming Apps are also available, such as Youtube, Molotov or Kodi.

All your applications on your TV!

- The TV BOX Streamer allows you to download all your favourite applications from the Google Play Store or your preferred app store.
- You can enjoy your Android apps directly on your TV : audio/video content from YouTube and other streaming entertainment services, as well as social media and web connectivity.

Enjoy all your multimedia files directly on your TV

- Music, Movies, Photos? You can play all your content.
- Just insert your microSD card or USB flash drive in to your box to enjoy your files on your TV.
- All video CODEC are directly available with the TV BOX Streamer.

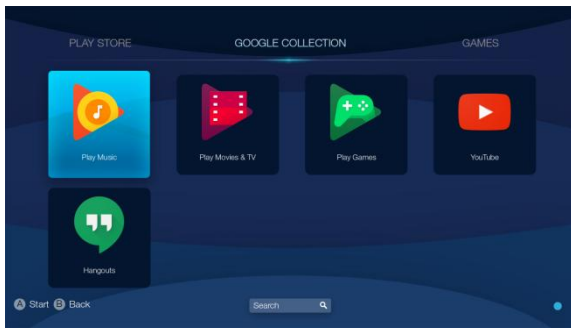

Miracast function

• Wirelessly mirror your multimedia content from your Android smartphone or tablet and enjoy your videos, photos, games and music on your TV screen.

• For Apple devices, it is also possible to download the "AirPlay/DLNA receiver (Pro)" App from Google Play.

And much more!

User friendly interface

- **Easy-to-use, simple and intuitive** interface to browse menus and allow easy access all the functions and contents of the box.
- **Customizable:** Personalize your menu and add your own shortcuts for faster access.

A unique remote control included with the TV BOX Streamer

A Bluetooth remote control

- The unique 8-axis remote control with gyro sensor mouse makes it easy to surf on your favorite websites and easily manage your Apps.
- The remote is convenient and easy to use. Guide the pointer of the remote control by moving it into space.

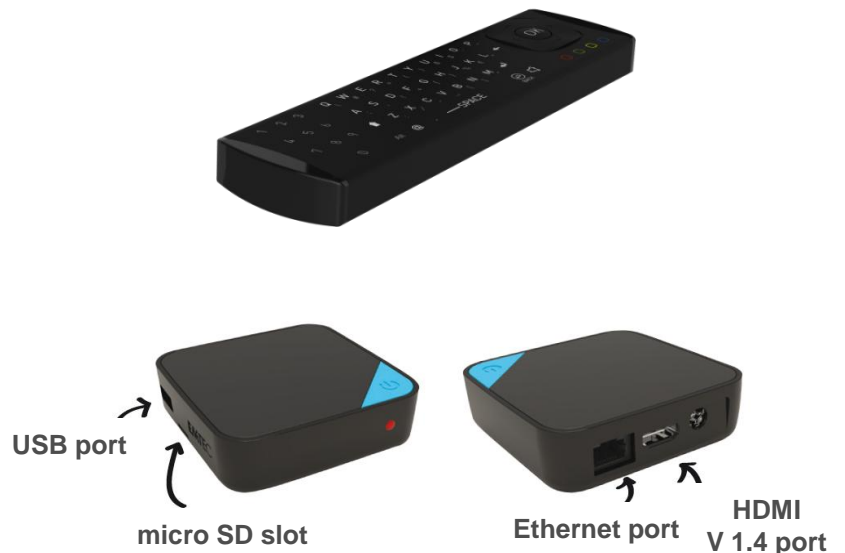

A mini QWERTY keyboard

- With the mini QWERTY keyboard at the back of the remote control, it has never been so easy to surf the web on your TV!
- Type your passwords or web research directly on the keyboard. Get quick access to your favorite websites.

Easily recharge the remote control

To recharge the internal remote control battery, simply connect it to the TV BOX Streamer using the micro USB cable provided.
